

QUALITY, CERTS & EQUIPMENT

[Equipment List – Short List](#)

CURRENT FTI CERTIFICATIONS

A message from our Chairman:

Fabrication Technologies is committed to quality and continuous improvement in all areas of the organization. Working as a team, with the involvement of employees in the continuous quality improvement process ensure that the company's goals for quality, efficiency and customer satisfaction are met.

FTI's target for quality is to maintain and to improve the quality of products and service, in order to consistently meet customer needs as well as internal requirements.

FTI is committed to the safety of the company's operations and, in particular, to the health and safety of employees, customers, and the public.

Under observance of the afore mentioned, customer satisfaction is the company's main priority.

FTI wants to be our customer's preferred supplier.

Tom Houshar
Chairman
